## 10 Weeks, 3,000 Air Miles, 2,500+ driving miles, and over \$10,000 raised to God's glory!

It summarizes like this: 47 meetings in the US and Canada, 5 Radio Broadcasts 1 Family Camp, 1 Pastor & Wives Retreat, 2 Bible College Chapels, 1 Commissioning Service, 1 Three Church Service, 1 Filipino Fellowship 3 nights in a missions conference, 2 Christian Day School chapels, 3 AWANA sessions, and 5 women's Bible Studies,

Dear Friends and Prayer Warriors,

There is a new missions song written to the tune of "Standing on the Promises" that begins like this:

***Going forth to conquer in the Master's name,  
Marching forth together with our hearts aflame. Telling in the byways that the Savior came,  
Doing what the Savior said to do***

Chorus:

***Going, telling, doing what the Master said to do, together,  
Going, telling, we're doing what the Savior said to do.***

In the last 10 weeks we have sung this song dozens of times until it has become a part of our hearts and minds. We are all deservedly tired but we are also tremendously blessed! Many have made decisions for Christ and we have been challenged by v.2 of our song:

**Jesus said to teach of Him in every place. Jesus said to tell the lost of saving grace.  
Soon we'll stand to give account before His face,  
Have we done what Jesus said to do?**

So now the next phase begins! Today we travel to meet with a couple that could be greatly used of the Lord in education, Sunday with a couple that could be a blessing by teaching new U.S. farming methods to our national pastors, then its on to Knott's Berry Farm for an exciting speaking engagement! That is all in this 7-day-interlude before flying to Malaysia for the Asian Pacific Congress and on to Cebu, Philippines for a week of meetings with our IGM mission Pastors to introduce Rafael and Charing to them as their new IGM missions coordinators.

### Prayer and Praise

- ❖ Many decisions have been made for Christ, pray that folks will follow through.
- ❖ Malaysia and the PI are 10's of thousands of miles away, pray for safety and rest.
- ❖ Malaysia is a Muslim country, pray that we will be able to challenge without being chastened.
- ❖ Our monthly income is down as times are hard and some have had to stop. Pray for new partners.
- ❖ This week – for the first time in 12+ years we got to sleep in our own bedroom, in our own house!
- ❖ While we are back in our bed we are leaving again with our roof half off and needing to be redone before winter!

Thanks for your prayers and your emotional and financial support – it keeps us going and going and going!

Your Energizer Bunnies,

*Rex and Andrea*

P.S. The third verse of our song moves us forward!

***Many hearts are hungry for the Bread of Life. Many more are battered by their sin and strife.  
We must go where misery and sin are rife. We must do what Jesus said to do!***

Chorus:

***Going, telling, doing what the Master said to do, together, Going, telling, we're doing what the Savior said to do.***
