September 24, 2008

Dear Friends and Prayer Warriors,

Sunday, September 21<sup>st</sup> will be a day we will always remember. A day of rejoicing, crying, laughing, eating, rushing and praying! We not only want to thank you for your prayers for our safety along 1000+ miles in the motor home traveling from one precious local church to another. From a pastor's conference to Shasta Bible College and from the Siskiyou Mountains to the Pacific Ocean your prayers have not only kept us safe, they have brought God's richest blessings upon us! God's people have been very kind. The 28' motor home towing a heavy 6x12 U-haul trailer with Rex's library and extra household things from Washington is still getting its remarkable 11 mpg and each of us is being blessed by the others on our journey.

As we said at the start, our Sunday in San Jose was the best day of all. That is the day our new Philippine coordinator, Raphael Lubaton, and his wife, Charing, burnt the \$280,000 mortgage note, turned their church over to his assistant pastor and were commissioned as missionaries to become IGM's Philippine field coordinator!

The picture (*below right*) shows the IGM organization with Leo as missionary church planter, radio evangelist and Bible teacher with Coordinator Rafael, Andrea

and me. Following our San Jose service, Rafael's wife and ministry helpmeet, Charing, has joined our traveling team for the rest of our journey and is already busy sharing her testimony and teaching women the Word. Her first assignment was at Fort Bragg, CA where she taught a ladies' Bible Study (*picture left*)!

*Prayer  
and Praise!*

- ❖ Your prayers that we will be a continuing blessing are being answered. We rejoice that God is using us for His glory to not only share our ministry but also minister to the local churches we visit!
- ❖ Travel, registration and expenses for our October/November meetings in Malaysia and the Philippines-- of the approximately \$4,000 needed about \$2000 has come in.
- ❖ After two tests seeking to find the source of Rex's loss of blood and the resulting anemia, our insurance company declined the final test that both our doctor and the specialist said was necessary.

Yours in the service of our Lord and Savior,

*Rex and Andrea*
