SERVING WITH IGM

February 18, 2010

Dear Partners in Christ

Greetings from Jamaica, Isle of Springs. We know that for many of you in North America you have lots of snow and biting cold. But we also know that our great creator who controls the seasons will bring you into the sunshine and warmth of spring not long from now. Our God is an awesome God.

We are happy to report that in the providence of God our first grand-child (Khyle David) was born to our son, Lenmour and his wife Claudine, on Wednesday February 10, at 1.00 a.m. Praise the Lord both mother and baby are well.

Rejoice with us also at the baptism of two teenage boys on January 31st. Both had earlier trusted the Lord. Please pray for their continued growth and spiritual development.

The outreach ministry of Grace Christian Fellowship continues with plans to expand within another month or so to include prisons and other institutions.

Jamaica is currently suffering from drought. Water is rationed as storage capacity and other sources have run very low, placing crops, animals and the entire population in a crisis.

PRAYER REQUESTS

Property for church
More labourers for the ministry
Our health
God's supply for urgently needed house and car repairs.

We want to express sincere thanks to you for standing with us with your prayers and financial support which have enabled us by God's grace to continue the ministry of the gospel.

May God crown your lives with favour as you labour for Him.

Sincerely in Jesus

Eral & Merle Lewis
